

Awnings:

What fabric choices are available for awnings?

We offer over 30 Sunbrella fabrics for quick delivery, all guaranteed to resist mold, mildew, and fading, with 97% UV protection. We can also custom-match any fabric color.

What sizes do your awnings come in?

We offer both standard and custom sizes, ranging from 10' to 40' wide with projections of 8', 10', or 12'. Request a free quote for your specific needs.

Do you offer a basic, non-motorized awning?

No, we specialize in high-quality, motorized retractable awnings with standard features like wireless remote control, adjustable pitch, and a cassette housing. Our awnings prioritize convenience, durability, and aesthetics.

Do your awnings have a manual override option?

Yes, all our motorized awnings come with a manual crank override for backup functionality.

What's the cost of your awnings?

Our fully motorized retractable awnings start at \$2,899 (excluding installation and taxes) and reflect our commitment to high-end design, industry-leading quality, and upgraded fabrics. Request a free quote for an accurate estimate.

What's the turnaround time for awnings?

In most cases, our lead time is 2 weeks after the initial consultation period.

General Questions:

Do you offer free consultations?

Yes! We provide free in-home consultations to discuss your project and answer any questions you may have. Schedule yours today!

Are there any limited-time offers available?
